ANDREA MARTINEZ MORENO | BACKGROUND

REAL CLIENT · LIVE · 2026

PELUQUERÍA MORENO

CONTEXT

A Valencia salon with 40+ years of history and a 4.7 Google rating, but no website.

STRATEGY

One goal: a WhatsApp message or a call. Copy in the owner's own voice.

EXECUTION

Copy, design and build, local SEO, real reviews and products sold via WhatsApp.

MEASUREMENT

Every button tracked by position, to see what drives enquiries.

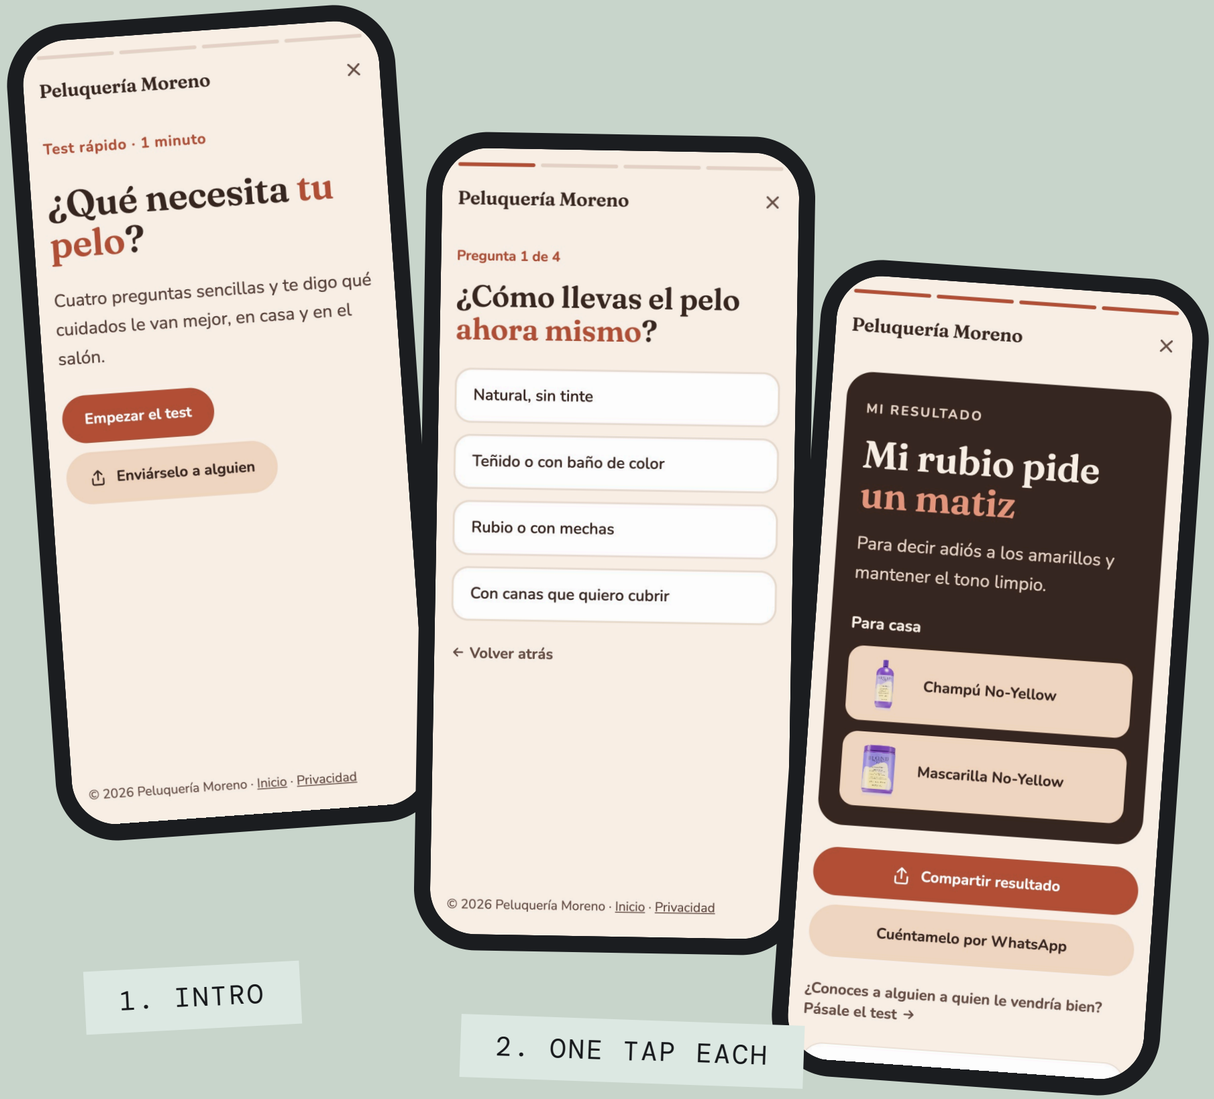

Trust first, then one clear ask.

LEAD MAGNET

THE HAIR QUIZ

One minute, four questions, one personal result.

- **Recommends** products for home and the right treatment.
- **Sells:** “Book” opens WhatsApp with the treatment named.
- **Spreads:** the result becomes a story to share.
- **Measured:** starts, results, shares and bookings.

1. INTRO

2. ONE TAP EACH

3. SHARE IT

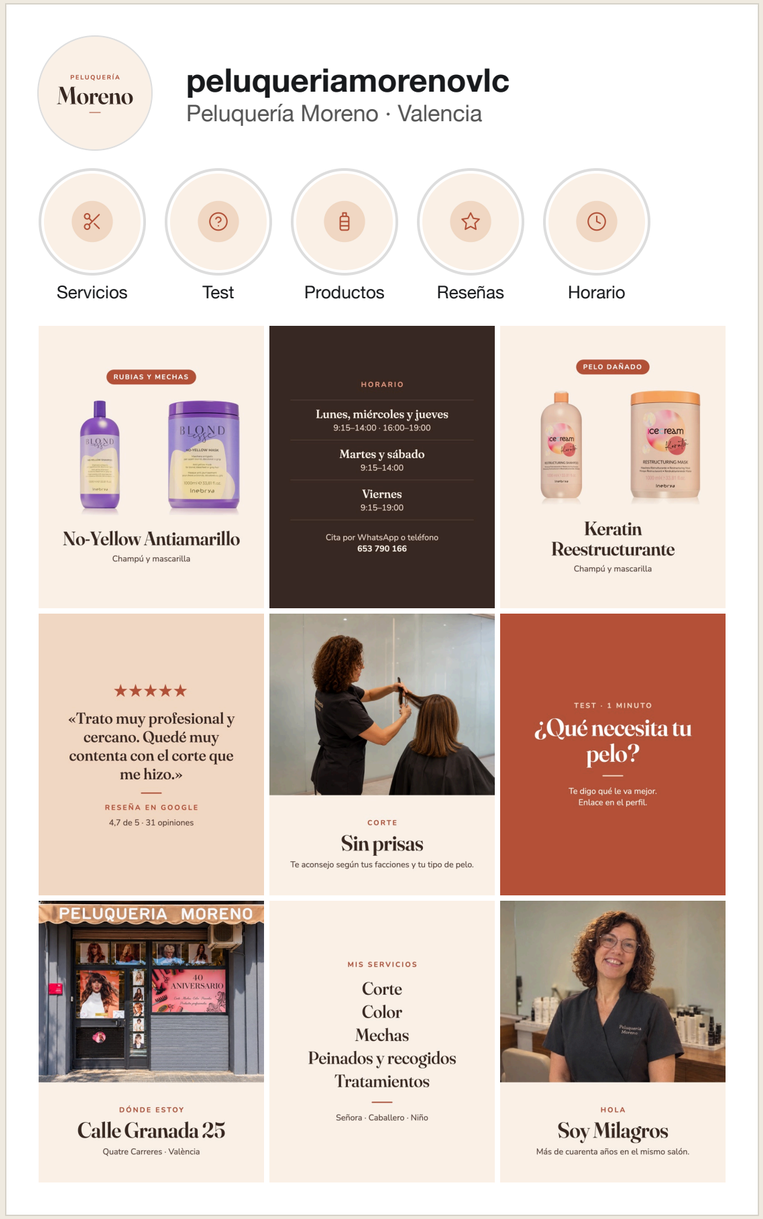

SOCIAL MEDIA · OCT 2026

INSTAGRAM FROM ZERO

Her voice, not a brand's.

I set up the account and planned nine launch posts as one grid, in the owner's voice.

- **Who she is:** 40+ years in the same salon.
- **Practical:** services, address and hours.
- **Trust:** real Google reviews.
- **Lead magnet:** the hair quiz.
- **Products:** one hair need each.

PRODUCT SERIES

STORIES THAT SELL

Six stories, one per hair problem: the question, the product, and a link to the products already filtered for it.

FRIZZ

BLONDES

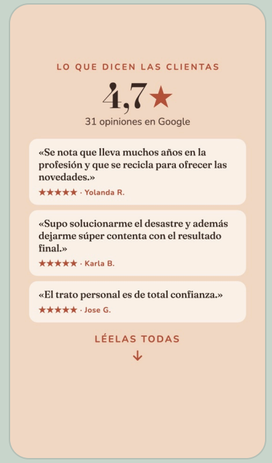

GREY HAIR

QUIZ

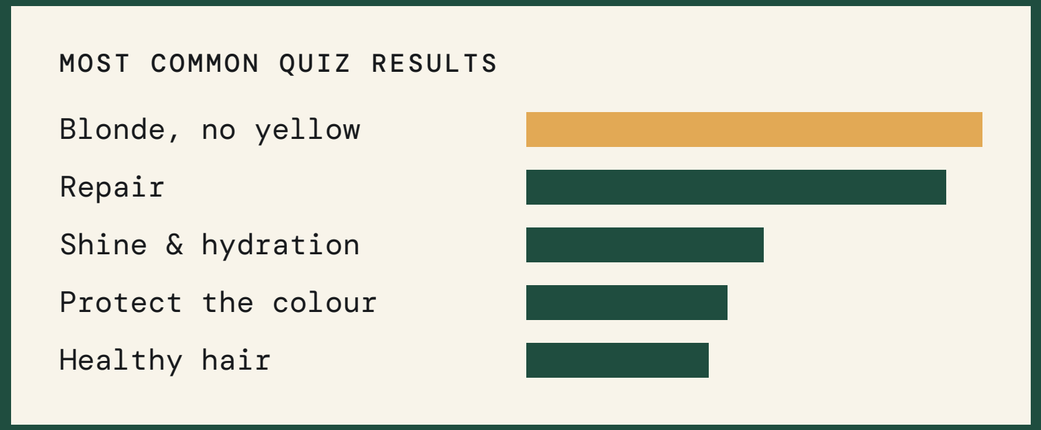

A HAIR PROBLEM → THE PRODUCT → /productos?filtro=rizos → WHATSAPP ENQUIRY

UMAMI · FIRST MONTH

WHAT THE DATA SAYS

- **Instagram brings 44%** of visits from other sites. → The link in bio goes to the quiz.
- **The quiz is the most used feature.** → It's in posts, stories and highlights.
- **"Blonde, no yellow" is the top result.** → Blonde care leads a post and a story.
- **Few WhatsApp clicks so far.** → Next: a more visible booking button.

BRAND & E-COMMERCE · CONCEPT

EMBRAVA

My own training gear brand, from identity to online store. A concept for now, one I'd like to launch one day.

THE NAME

From Spanish “brava” (bold) and a wild, rough sea.

THE SYMBOL

A sun setting over the sea, always in one terracotta ink.

THE PALETTE

Espresso, sand and cream, unlike most fitness brands.

THE TAGLINE

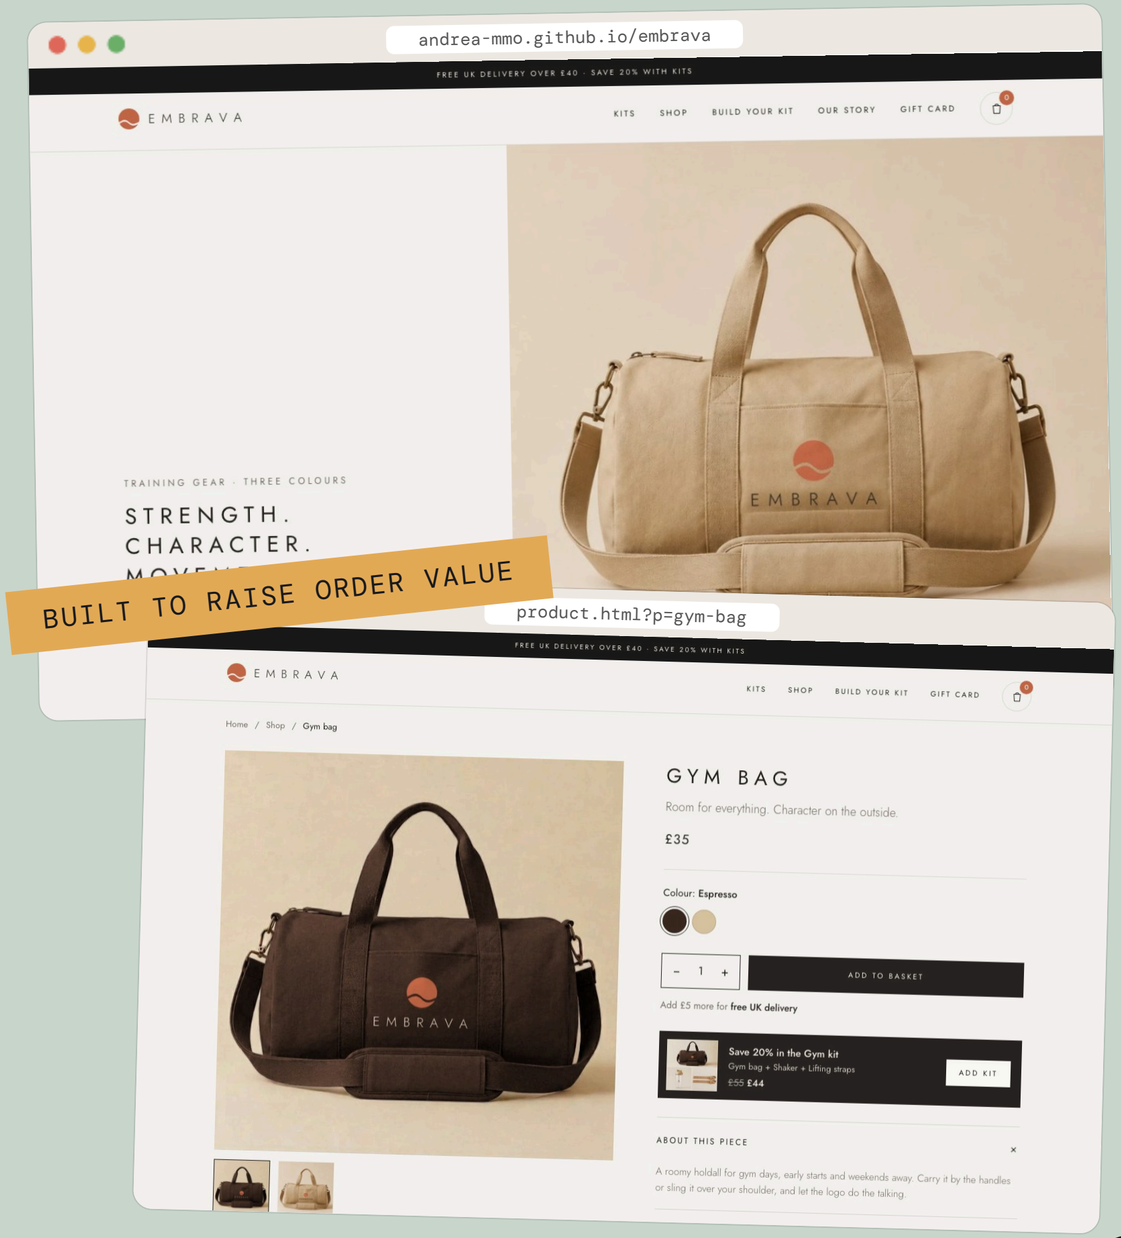

Strength. Character. Movement.

Brave, like the sea.

A STORE THAT SELLS THE SET

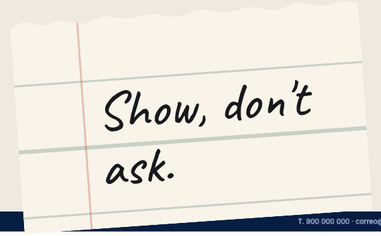

- **Colour first:** swatches swap the photo instantly.
- **Kits:** “Where do you train?” leads to three kits that save 20%.
- **Build your own:** any three pieces unlock 15% off.
- **Free delivery from £40,** just above a typical order.
- **Mobile first,** because brands like this are found on social media.

04 Minimalist
